Short communication on enuresis. *St. Bartholomew's Hosp. J.*, april 1930.

In 1996a (170-175).

W21 – “Breve comunicação sobre a enurese”

1931a

Clinical Notes on Disorders of Childhood. London: Heinemann 1931.

1931b

Active heart disease. In *Clinical Notes on Disorders of Childhood* (1931a).

London: Heinemann 1931 (69-75).

1931c

Anxiety. In *Clinical Notes on Disorders of Childhood* (1931a). London:

Heinemann 1931 (122-128).

1931d

Arthritis associated with emotional disturbance. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (81-86).

1931e

Convulsions, fits. In *Clinical Notes on Disorders of Childhood* (1931a). London:

Heinemann 1931 (157-171).

1931f

Disease of the nervous system. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (129-142).

1931g

Fidgetiness. In *Clinical Notes on Disorders of Childhood* (1931a). London:

Heinemann 1931 (87-97). In 1958a (22-30).

W6 – “Agitação”

1931h

Growing pains. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (76-80).

1931i

Haemoptysis: Case for diagnosis. *Proc. Roy. Soc. Med.*, 1931, 24.

1931j

The heart, with special reference to rheumatic carditis. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (42-57).

1931k

History-taking. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (7-21).

1931l

Masturbation. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (183-190).

1931m

Mental defect. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (152-156).

1931n

Micturition disturbances. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (172-182).

1931o

The nose and throat. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (38-41).

1931p

A note on normality and anxiety. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (98-121). In 1958a (3-21).

W6 – “Notas sobre normalidade e ansiedade”

1931q

A note on temperature and the importance of charts. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (32-37).

1931r

Pre-systolic murmur, possibly not due to mitral stenosis (case history).
Proc. Roy. Soc. Med., 1931, 24.

1931s

Physical examination. In *Clinical Notes on Disorders of Childhood* (1931a).
London: Heinemann 1931 (22-31).

1931t

The rheumatic clinic. In *Clinical Notes on Disorders of Childhood* (1931a).
London: Heinemann 1931 (64-68).

1931u

Rheumatic fever. In *Clinical Notes on Disorders of Childhood* (1931a). London:
Heinemann 1931 (58-63).

1931v

Speech disorders. In *Clinical Notes on Disorders of Childhood* (1931a). London:
Heinemann 1931 (191-200).

1931w

Walking. In *Clinical Notes on Disorders of Childhood* (1931a). London: Heinemann 1931 (143-151).

1933

Book abstract. Alexander, Franz: "Psychoanalysis and medicine" [in *The Harvey Lectures, 1930-31*, Baltimore 1931]. *Int. J. Psycho-Anal.*, 1933, 14.

1934a

1965e [1959]

Casework with mentally ill children. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (121-131).

W8 – “Atendimento de caso com crianças mentalmente perturbadas”

1965f

A child psychiatry case illustrating delayed reaction to loss. In Max Schur (ed): *Drives, Affects, Behavior*, vol. 2. New York: Int.Univ.Press 1965. In 1989a (341-368).

W19 – “Um caso de psiquiatria infantil que ilustra a reação retardada à perda”

1965g

Child therapy: A case of anti-social behaviour. In J.G. Howells (ed): *Modern Perspectives in Child Psychiatry*. London/Springfield, Ill.: Oliver & Boyd 1965. In 1971b (270-295, case 15 “Mark”).

W11 – “Caso 15. ‘Mark’ aos 12 anos”

1965h [1959]

Classification: Is there a psycho-analytic contribution to psychiatric classification. In *The Maturation Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (124-139).

W9 – “Classificação: existe uma contribuição psicanalítica à classificação psiquiátrica?”

1965i

A clinical study of the effect of a failure of the average expectable environment on a child's mental functioning. *Int. J. Psycho-Anal.*, 1965, 46. In 1971b (64-88, case 4 "Bob").

W11 – “Caso 4. “ ‘Bob’ aos 6 anos”

1965j [1963]

Communicating and not communicating leading to a study of certain opposites. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (179-192).

W9 – “Comunicação e falta de comunicação levando ao estudo de certos opostos”

1965k [1950]

The deprived child and how he can be compensated for loss of family life. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (132-145). In 1984a (172-188).

W8 – “Sobre a criança carente e de como ela pode ser compensada pela perda da vida familiar”

W13 – “A criança desapossada e como pode ser compensada pela falta de vida familiar”

1965l [1960]

The effect of psychosis on family life. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (61-68).

W8 – “O efeito da psicose na vida da família”

1965m [1960]

Ego distortion in terms of true and false self. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (140-152).

W9 – “Distorção do ego em termos de falso e verdadeiro *self*”

1965n [1962]

Ego integration in child development. In *The Maturation Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (56-63).

W9 – “A integração do ego no desenvolvimento da criança”

1965o [1958]

The family affected by depressive illness in one or both parents. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (50-60).

W8 – “A família afetada pela patologia depressiva de um ou ambos os pais”

1965p [1960]

The family and emotional maturity. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (88-94).

W8 – “Família e a maturidade emocional”

1965q [1962]

The five-year old. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (34-39). In 1993a (111-120: “Now they are five”).

W8 – “A criança de cinco anos”

W20 – “Agora estão com cinco”

1965r [1963]

From dependence towards independence in the development of the individual. In *The Maturation Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (83-92).

W9 – “Da dependência à independência no desenvolvimento do indivíduo”

*1965s [1955]

Group influences and the maladjusted child: The school aspect. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (146-154). In 1984a (189-199).

W8 – “Influências de grupo e a criança desajustada”

W13 – “Influências de grupo e a criança desajustada. O aspecto escolar”

1965t [1950]

Growth and development in immaturity. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (21-29).

W8 – “Crescimento e desenvolvimento na fase imatura”

1965u [1963]

Hospital care supplementing intensive psychotherapy in adolescence. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (242-248).

W9 – “Atendimento hospitalar como complemento de psicoterapia intensiva na adolescência”

1965va [1962]

A personal view of the Kleinian contribution. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (171-178).

W9 – “Enfoque pessoal da contribuição kleiniana”

1965vb

The price of disregarding psychoanalytic research. In *The Price of Mental Health: Report of the National Association for Mental Health Annual Conference*. London 1965 (“The price of disregarding research findings”). In 1986b (172-182).

W14 – “O preço de desconsiderar a pesquisa psicanalítica”

1965vc [1962]

Providing for the child in health and crisis. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (64-72).

W9 – “Provisão para a criança na saúde e na crise”

1965vd [1963]

Psychiatric disorder in terms of infantile maturational processes. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (230-241).

W9 – “Distúrbios psiquiátricos e processos de maturação infantil”

1965ve [1963]

Psychotherapy of character disorders. In *The Maturational Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (203-216).
In 1984a (241-255).

W9 – “Psicoterapia dos distúrbios de caráter”

W13 – “A psicoterapia de distúrbios de caráter”

1965vf [1960]

The relationship of a mother to her baby at the beginning. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (15-20).

W8 – “O relacionamento inicial entre uma mãe e seu bebê”

1965vg [1960]

On security. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (30-33). In 1993a (87-93: “Security”).

W8 – “A respeito da segurança”

W20 – “Segurança”

1965vh

Preface. In *The Family and Individual Development* (1965a). London: Tavistock 1965 (vii).

W8 – “Prefácio” (a *A família e o desenvolvimento do indivíduo*)

1965vi

Introduction. In *The Maturation Processes and the Facilitating Environment* (1965b). London: Hogarth 1965 (9-10).

W9 – “Introdução” (*O ambiente e o processos de maturação*)
